Serial No.: 10/627,214

Filed:

PETITION TO GRANT APPLICATION FILING DATE

December 1, 2003

Honorable Commissioner of
Patents and Trademarks
Washington, D.C. 20231

Reference is made to the Notice of Incomplete Non-Provisional
Application of which a copy is attached hereto.

A filing date has been refused because the application was allegedly
deposited without drawings.

However, according to the files of the undersigned, proper drawings were
filed in connection with the subject application.

Attached hereto is the filing receipt for the subject application which
specifically acknowledges receipt of the drawings.

MAIL STOP DAC

I hereby certify that this correspondence is being
deposited with the United States Postal Service
as first class mail in an envelope addressed to:
Commissioner for Patents, P.O. Box 1450,
Alexandria, VA 22313-1450.
On 12/4/03
[Signature]

If the drawings were not received by the U.S. PTO, then this part of the receipt postcard would have been stricken out.

It is noted that it is the policy of the U.S. PTO to review all incoming applications and not to acknowledge receipt of anything indicated on a receipt postcard unless that document was actually received.

Accordingly, reconsideration of the refusal to grant the subject application a filing date is respectfully requested.

Another copy of the drawing is submitted herewith.

It is requested that any required fee be debited to the account of the undersigned #19-4675.

Respectfully submitted,

Michael J. Striker
